IGI as the Protégé and OnPoint as the Mentor, announced the Team's acceptance into the SBA Small Business Mentor-Protégé Program. As part of the program, OnPoint will serve as mentor for IGI to expand their ability to successfully compete for prime contracts. As a result, IGI and OnPoint have entered a small business Joint Venture – InfoPoint, LLC.

This strategic relationship will enhance IGI's breadth of expertise and experience to provide high-quality support and broaden their market areas and client base. Federal clients will gain access to the combined capabilities and resources of OnPoint and IGI to meet their small business participation goals.
