**NuviPoint, a Joint Venture between OnPoint Consulting, Inc. (“OnPoint”) and Nuvitek, LLC, wins spot on 8(a) STARS III!**

Arlington, VA (2/8/22) – OnPoint Consulting, Inc. (“OnPoint”) proudly announces the award of GSA’s Best-in-Class 8(a) STARS III GWAC with their Joint Venture NuviPoint. With a ceiling of \$50 billion, this award will allow NuviPoint the opportunity to leverage IT and emerging technologies to help forward Government Agencies’ missions.

NuviPoint is CMMI DEV & SVC Level 3 certified and holds ISO 9001, ISO 20000, and ISO 27001 certifications, and will help ensure the Federal Government gains access to the combined broad capabilities and resources of OnPoint and Nuvitek to meet their small business and 8(a) participation goals.

*“We are excited to provide IT solutions and services to the Federal Government by utilizing the combined capabilities and resources of both OnPoint and Nuvitek through our SBA approved Mentor-Protégé Joint Venture NuviPoint,”* stated Tim Smith, President of OnPoint.

*“Nuvitek is grateful for this crucial contract vehicle award. Nuvitek’s north star is to over deliver customer value. Our STARS III award, in partnership with our JV partner OnPoint, will provide an opportunity for our current and future customers to partner with us on their modernization journey. NuviPoint looks forward to continuing to support the U.S Federal Agencies to fulfill their mission,”* said Venkat Veeramneni, President of Nuvitek.

NuviPoint is an 8(a) SBA approved Mentor-Protégé Joint Venture between Mentor member, OnPoint Consulting, Inc (OnPoint), a wholly-owned subsidiary of Sapient Government Services, and the Protégé member, Nuvitek, an SBA certified 8(a) small business.
